### BOO FEST

Thank you to everyone who helped make Boo Fest a success this year. A BIG thank you to the parents, teachers and staff who helped set up, clean up and run the activities. Without your help this event would not be possible.

### FUNDRAISER UPDATE

Thank you to those families who participated in this year's school fundraiser. This year our gross sales were over \$5,300. The PTO earns 40-50% of the total sales. This year the PTO has allotted \$100 to each teacher (K-5) to be used towards busing for field trips for their students. This fundraiser will help support that part of our PTO budget.

Market Day is another way PTO earns money to help support the many activities we provide, such as Boo Fest, Family Movie Night, Family Fun Night, and Kid's Night Out. This year we would like to be able to extend that by replacing or adding certain items to our school. The PTO will be looking at replacing the picnic tables outside in the court yard. PTO is also looking at purchasing another Smart Board for our school. During the next several months you will have the opportunity to help meet these goals by placing an order with Market Day. Please take the time to look through the order form sent home previously with your child. You can also visit [www.marketday.com](http://www.marketday.com) to find more information or call Shantelle Beach at 424-6248.

### Santa's Workshop

This year the PTO is looking at using Fun Services, Inc. for the Santa's Workshop. Items will be available on consignment with prices ranging from \$0.25 to \$9.00. Most items available will be \$4.00 and under. A representative from Fun Services will be at the next PTO meeting to explain how this holiday shop will work and will have samples of their merchandise. This company services many of our area schools including Justus Gage, Lawrence and Paw Paw. Parents are encouraged to attend the PTO meeting to find out more information. Anyone interested in helping with the workshop please contact Shantelle Beach at 424-6248.
